Team Competition

This is a NEW competition for 2023!!

The Team Competition is an opt in competition for a \$10 entry fee.

The competition will be played over 8 rounds on the days designated as “Personal Best” or Points” competitions. (Those unable to play Wednesday have the option to play on Saturday).

The number of teams will depend on the number of participants, probably three but possibly four. Teams will be sorted by handicaps.

Each week the two lowest gross scores and two lowest net scores for each team will be recorded. Results will be posted each week on the website.

At the end of the season, the team with the lowest overall score will be the winner.

All members of the team will share the pot to be paid out in pro shop gift certificates. (i.e. with 3 teams the entry is \$10 each and the winning team would receive \$30 each)
