Signing Up for Ladies Golf Events

Welcome to new and returning members!

We have a full schedule of activities lined up for the 2024 season for those who like to compete and for those who just want to have fun.

The first thing is to make sure you are able to sign up for events. Our sign ups will all be done through GOLF GENIUS.

Golf Services is responsible for the draws on Wednesdays and Saturdays, The draws will be computer generated by random pairing of two players from the lower handicap group with two players from the higher handicap group with repeats minimized. Once a month on Personal Best Days, the groups will be sorted by handicap. Some adjustments may be required to accommodate special requests or cart pairings, but hopefully the system should allow you the opportunity to play with a variety of ladies during the season.

You will receive an email invitation from Golf Genius that will look similar to this. All you have to do is click “Playing” or “Not Playing” Should you find you are unable to play, you will be able to cancel by clicking on “Not Playing” until registration is closed.

Hi Joan,

You are able to add a guest to your booking or send a message i.e. if you drive share and prefer to be near your travel companion in the draw. Note that guests are not given priority and will be placed near the end of the draw. You may book one guest only.

The screenshot shows a website interface for a golf club. At the top, there is a pink brushstroke graphic containing the Westfield Golf Club logo (a 'W' with '19' on either side, surrounded by 'WESTFIELD GOLF CLUB') and the text 'Wednesday Ladies'. Below this is a purple navigation bar with a home icon, 'Tournament Info', 'Tee Sheets', 'Results', 'Analytics', and 'Sign In'. A yellow notification bar states: 'You are already among the participants of the round Pm Round1 (Wed, March 15)'. Below the notification are two links: 'Sign up other guests' and 'Send a message to the manager'.

Golf Genius will send an email invitation a week prior to play.

The deadline for replying will be Monday noon for Wednesday play and Wednesday noon for Saturday play.

Tee times that have not been filled will be released to other members after the draw is posted.

Events that require an entry fee, Putts & Chip-ins \$20, Team Competition \$10, Diana Brenan \$10, Scotch Ball \$10, will be charged to the member's account. Members preferring to pay cash may do so through the office or pro shop (a charge and credit will be reflected on your monthly account).

If you are not receiving the email invitations and wish to be included, please email Steve LeBlanc, Head Professional at Steve@westfieldgolf.ca

The Get Acquainted Scramble on Saturday May 25th is open to all lady members as space permits, regardless of your membership category or whether or not you have a Golf Canada handicap.

To participate in the Wednesday and Saturday competitions and all other club tournaments, it is necessary to have an 18 hole handicap. For new members, this can be easily established by playing 54 holes and entering your scores through Golf Canada. You are still welcome to play with us if you do not have a handicap, but you will not be eligible for prizes.

Don't miss out on the opportunity to make some new friends and use your Westfield membership to its full potential.

Looking forward to seeing you on the course!
