PRESIDENT'S MESSAGE & BRIEF HISTORY

Welcome to another fantastic year at Westfield Golf & Country Club. Whether you are a new or returning member, we are thrilled to have you join us for our 105th season.

The original design was done in 1919 by the world renowned architect, Donald Ross. Some of his famous designs include Pinehurst 2, Oak Hill and East Lake. Ross designed the first 9 holes and 9 holes were added to the layout in the late 50's.

We invite you to make the most of our club's offerings, including a full service golf shop, our convenient club storage, expert guidance from our PGA of Canada professional staff, Steve Leblanc and Braden Duffley, our practice facilities and of course the scenic challenge of our 18 hole golf course.

After your round, be sure to unwind at the welcoming gastro-pub, Cask and Kettle.

Here's to a season filled with great golf and unforgettable moments at Westfield!

Best regards,

Matt Mason

WGCC President
