Legacy Fund

The Westfield Golf & Country Club has established a Legacy Fund in support of future golf course and clubhouse improvements. The Legacy Fund will enhance the sustainability of the Club for future generations.

The Legacy Fund will be restricted for capital purposes and will not be used for operating expenditures, unless directed by the donor.

History

Nestled on the slopes of the St. John River Valley, Westfield Golf and Country Club has long been regarded as New Brunswick's most scenic golf course. With spectacular views of Kennebecasis Island, Crowley Mountain, Sunset Valley and the Nerepis Hills it is no surprise.

Established in 1919, the Club has experienced many changes over the years, including one in 1931 when the legendary Donald Ross redesigned the course. With some modifications, nine holes originally designed by Ross are still incorporated in today's eighteen hole layout. The course today features small greens, rolling hills and strategically placed hazards – combining the unique features of playability and challenging golf.

Create a Legacy

Contributions to the Legacy Fund will support the sustainability of our beautiful course through prioritized capital projects outlined in our Strategic Plan and long-term Infrastructure plan.

Planned projects through the Legacy Fund include: equipment, cart paths, irrigation, tee box improvements, and more.

Contributions

Consider making a contribution to the Legacy Fund in one of the following ways:

Living Gift - Celebrates a special life event or signifies your commitment to the sustainability of the Club. It could mark an occasion in your own life or the life of someone you would like to honour, such as a birthday or anniversary.

Memorial Gift - A tribute made in remembrance of someone special who has passed away.

Legacy Gift - A living reminder of your values, beliefs, and aspirations for the future. It allows you to build your charitable objectives into your estate plan after you have taken care of your loved ones.

A Legacy gift can be of any size and is one of the most significant and lasting contributions you can make.

How to Contribute

Contributions to the Legacy Fund can be made in the following ways:

- A direct financial contribution to the Legacy Fund for Living and Memorial Gifts.
- A bequest to the Legacy Fund in your will or estate planning practices.

Contributions can be received in any form through your estate planning (e.g., shares, monetary).

We recommend you consult your professional advisor for advice on specific details of your gift. The Westfield Golf & Country Club Inc. is a non-profit corporation but does not have charitable status. As such, we are not able to issue charitable tax receipts for any monies or gifts received.

Recognition

The generous support of our donors contributes to the long-term security and growth of the Club and for this, we wish to recognize our donors.

A new Legacy Wall will be installed in the clubhouse to recognize significant contributions to the Legacy Fund.

We will either recognize the generosity of our donors or keep their identity anonymous based on personal preference.

We will send a card on a donor's behalf to those being celebrated or memorialized through a Living or Memorial Gift.
