Match Captain - Joan Hurst

# Match Play

In Match Play, you compete to see who wins the most holes, so the overall score doesn't matter! A hole may be won, lost or tied. This means you can score 12 on #7 and still have a chance of winning the match!

Your handicap allows you to compete with players who have a lower or higher handicap. The better golfer doesn't have an advantage and matches are often very close.

Somebody wins and somebody loses, that's just the way it works! Prizes are awarded at the end of the season.

Match Play brackets will be posted online and in the ladies' locker room so that you can follow the competition.

# Singles Match Play

## SINGLES FORMAT

Sign-up instructions will be sent early in the season, so don't miss the deadline to register!

- \*There will be no draw!
- \*Each participant must play 4 matches
- \*You may challenge anybody on the list and arrange at your convenience
- \*Scoring - 4 points for a win  
0 points for a loss  
2 points for a loss that went to extra holes
- \* Record your points for each match next to your name in the ladies locker room and please also email results to Joan.

The deadline for the 4 matches to be completed is Thursday August 21.

If you procrastinate and discover in August that everybody has completed their 4 matches, you may challenge somebody who has completed 4 matches but they would not count their points.

A participant can accumulate a maximum of 16 points. Those who may not complete 4 matches by the deadline, will probably not earn enough points to be in contention.

Prizes will be awarded to the winner, runner-up and third place according to points earned. If necessary, ties will be decided by a play-off.

# How to Score Match Play

Please note that stroke holes have been updated for 2025 (this card shows the old stroke holes and will be revised)

Attest: \_\_\_\_\_ Date: \_\_\_\_\_

- Sue's handicap is 15 and Mary's handicap is 28
- Sue must give Mary 13 strokes (28-15)
- The strokes are given on the Women's Handicap holes 1-13

- Mark the hole with + for a win, - for a loss and o for a tie hole (This is Sue's card, so the + and - would be reversed on Mary's card)
- Sue scores 5 on #1 and Mary scores 6. Because Sue has to give Mary a stroke, it is a tie hole.

Scorer: \_\_\_\_\_  
 Attest: \_\_\_\_\_ Date: \_\_\_\_\_

- Sue scores 4 on #2 and Mary scores 3. No strokes are given, so Mary wins the hole
- Sue scores 5 on #3 and Mary scores 7. Sue has to give a stroke which means Mary's 7 becomes a 6, but Sue still wins the hole with her 5.
- The game continues and the player who wins the most holes wins the match!

# Doubles Match Play

Sign-up instructions will be sent out early in the season for Doubles Match Play. Sign up with a partner to play! If you don't have a partner, sign up as a single as somebody else may also be looking for a partner. Match Play is fun and a chance to meet new ladies and golf with somebody outside your usual playing group. Your handicap allows you to compete with players who have a lower or higher handicap. The better golfer doesn't have an advantage and matches are often very close.

Doubles teams will be seeded by random draw. Golfers arrange their own matches to suit their schedules.

Deadlines will be firm, so please schedule your matches as soon as possible. It is more fun to win or lose by playing the match than by flipping a coin!

Note: If you are having difficulties scheduling a foursome, there is an option to play the match on your own.

# How to Score Doubles Match Play

- In Singles Match Play, the players use a handicap allowance of 100%
- In Doubles Match Play, the players use a handicap allowance of 90% in accordance with The Rules of Golf -Appendix C.
- The player with the lowest handicap gives strokes to the other players, including her partner.
- If Sue is the lowest with a 15 handicap and Mary has a 28 handicap, Sue will have to give Mary 12 strokes ( $28 - 15 = 13$ ) ( $13 \times 90\% = 11.7$ ) Strokes 0.5 and higher are rounded up. The strokes are given on the Women's Handicap holes #1 to #12.
- Sue will similarly give strokes to the other players in the foursome.

## Marking the Scorecard

Please note that stroke holes have been updated for 2025 (this card shows the old stroke holes and will be revised)

Scorer: \_\_\_\_\_

Attest: \_\_\_\_\_ Date: \_\_\_\_\_

- Hole #1 - Sue gives a stroke to Mary, Jane & Kate. It is a tie hole because Jane's 6 becomes a 5.
- Hole #2 - Sue scores 3, but Kate gets a stroke and her 3 becomes a 2. Jane & Kate win the hole.
- Hole #3 - Sue gives a stroke to Mary & Kate. Sue & Mary win the hole as Mary's 6 becomes a 5.
- Hole #4 - Sue gives a stroke to Mary, Jane & Kate. Sue & Mary win the hole.
- The game continues and the team who wins the most holes wins the match!

- If the match is tied at the end of 18 holes, check in with the pro shop and they will accommodate you in proceeding to #1 for the tiebreaker, sudden death until there is a winner.
- It is customary for the winners to buy a drink for the losers at the end of the round.
- Record your points for singles matches on the sheet in the locker room. Report the result of your doubles match to the pro shop and write the winner's name on the chart in the ladies' locker room.
