# How Does it Work?

- Play your regular game and hand in your card at the end of the round. Please include your handicap on your scorecard.
- Following Thursday and Saturday play on the designated weeks, a random draw will be done to determine the partners for that week.
- Play your best game as your unknown partner is counting on you!!
- Using the combined score of the “hidden partners”, the weekly low gross winners and low net winners will receive \$10 each to be paid at the end of the season in Pro Shop gift certificates.
