# Signing Up for Ladies Golf Events

Welcome to new and returning members!

We have a full schedule of activities lined up for the 2026 season for those who like to compete and for those who just want to have fun.

The first thing is to make sure you are able to sign up for events. Our sign-ups will all be done through GOLF GENIUS.

The Ladies Match Committee is responsible for the draws on Thursdays and Saturdays. The ladies in charge of the draws for the various events will take into consideration handicaps, cart pairings, special requests and hopefully will allow an opportunity for you to play with a variety of ladies during the season.

You will receive an email invitation from Golf Genius that will look similar to this. All you have to do is click “Playing” or “Not Playing”. Should you find you are unable to play, you will be able to cancel by clicking on “Not Playing” until registration is closed.

Hi Joan,

This week's format is Personal Best, Team Competition and Putts & Chip-ins

You are invited to participate in the Personal Best Round on Thursday June 5

You can accept or decline the invitation through the buttons below

Playing

Not Playing

You are able to add a guest to your booking or send a message i.e. if you drive share and prefer to be near your travel companion in the draw. Note that guests are not given priority and will be placed near the end of the draw. You may book one guest only.

- Sign up other guests
- Send a message to the Manager

Golf Genius will send an email invitation a week prior to play.

The deadline for replying will be **Sunday 9 pm** for Thursday play and **Wednesday noon** for Saturday play.

Tee times that have not been filled will be released to other members after the draw is posted.

Events that require an entry fee, Putts & Chip-ins \$20, Team Competition \$10, Ladies Scotch Ball \$10, will be charged to the member's account.

If you are not receiving the email invitations and wish to be included, please email Steve LeBlanc, Head Professional at [Steve@westfieldgolf.ca](mailto:Steve@westfieldgolf.ca) or Joan Hurst at [joan.h.hurst@gmail.com](mailto:joan.h.hurst@gmail.com)

The Get Acquainted Scramble on Saturday May 23, is open to all lady members as space permits, regardless of your membership category or whether or not you have a Golf Canada handicap.

To participate in the Thursday and Saturday competitions and all other club tournaments, it is necessary to have an 18 hole handicap. For new members, this can be easily established by playing 54 holes and entering your scores through Golf Canada. You are still welcome to play with us if you do not have a handicap, but you will not be eligible for prizes.

Don't miss out on the opportunity to make some new friends and use your Westfield membership to its full potential.

Looking forward to seeing you on the course!
